25X1A9a 2. [REDACTED] joined the Support Staff/ORD on 3 September 1968. She was a recent high school graduate and had very little previous business experience. Despite this, [REDACTED] performed all the varied and unusual tasks required of an administrative staff member in a very proficient manner. She was then transferred to the Office of the Director/ORD in April 1969. Here she has performed general engineering secretarial duties and has assisted in the planning cycle for the Combined Program Call consisting of Directorate/Division liaison correspondence and conferences, format reconciliation and accounting, management support breakouts and control reconciliation as well as other on-going planning correspondence. She continues to improve in her grasp of responsibilities which are considerably above those normally required of a GS-3.
