MEMORANDUM FOR: Legislative Counsel

25X1C

SUBJECT: [REDACTED]

REFERENCE: Your Memorandum dated 10 June 1952,
Subject as above.

25X1C

1. In regard to Paragraph 3. of the referenced memorandum, we have learned that [REDACTED] has been queried about his desire to testify as to his knowledge of the Katyn Forest massacre. He is willing to testify in public provided it is in the US. He does not feel that the publicity concerning his name would harm relatives or friends still behind the Iron Curtain. His primary concern is the safety and security of his wife and two children who are with him.

2. As you may recall, congressman Furcolo informed you that most of the letters sent by his office to individuals behind the Iron Curtain were returned. The letter sent to [REDACTED] did get through and has been analyzed. From the analysis there is no reason not to believe [REDACTED] story "that the letter was extracted from the international mail by an acquaintance of his in the [REDACTED] and the letter therefore was not subject to police scrutiny." The ID/TSS would like to examine other letters sent by congressman Furcolo's office to individuals behind the Iron Curtain. If you could obtain any of these from his office it would be much appreciated.

3. Application for registration entry number into the US under normal immigration procedures has been made with the US Consul, Frankfurt A/M, Germany.
