MEMORANDUM FOR: Assistant to Director [REDACTED]

FROM: Chief of Operations, DD/P

SUBJECT: The Katyn Murders, [REDACTED] 25X1A

John Mitchell, Counsel for the Congressional Sub-Committee investigating Katyn, came in to see Mr. Dulles last week. He asked specifically whether he could see the attached report, naming it by number. You will note it is classified confidential. Mr. Dulles feels that if security permits it might be well for us to let him either read this or make a copy, indicating that it was not ours. Inasmuch as I believe you are handling this matter, would you please look into the feasibility of doing so.
