Trans. of Beton Heratellung Verwendung (West  
Germany) 1962, v. 12, no. 12, p. 545-552.

DESCRIPTORS: \*Construction. \*Housing. \*Panels  
(Structural). Industrial plants. \*Concrete. Industrial  
equipment. Operation. \*Prefabricated buildings.

Experiences in the production of large panels in a  
specially equipped precasting plant for housing con-  
struction led to the development of methods for  
stationary casting of facing panels and flow line pro-  
duction of wall panels and floor slabs. Flow line pro-  
duction must deliver products in sufficient number.
