SUMMIT SKIRMISHES IN THE COLD WAR. INTER-

Trans. from Weltkunde (West Germany) 1959 [v. 8]
Nov.

The author, probably reflecting a feeling that is
widespread among European intellectuals, feels un-
easy about the "Spirit of Camp David"; he is certain
that the Soviet Union will continue to be aggressive
and expresses the hope that the Western alliance will
overcome its basic weaknesses, lack of political
purpose and military deficiency in order to be able to
resist Soviet pressure. (Translator)
