8. Mr. William Fee, Bureau of the Budget (ext. 2131) called in connection with Senator Leverett Saltonstall's foreign language training bill (S. 1243) for the State Department. Fee said the Senate Foreign Relations Committee is scheduled to hold hearings on this bill on Thursday. He asked if the Agency would be interested in having its training representatives attend a meeting of State Department and Bureau of the Budget officials at 2 P. M. today. (The call was received at 12:10) It was suggested to Mr. Fee that in view of the short notice, it might be better for us to meet separately with the Budget representatives tomorrow morning (this had been Mr. Fee's alternative suggestion). [redacted] and Mr. Charles Mason were notified of this request. Arrangements are being made to meet with the Budget people tomorrow morning. STAT

9. Talked again with Mr. Markel, Senate Committee on Interstate and Foreign Commerce staff. He indicated that Mr. Irvin A. Hoff would be interested in sitting in our meeting with him on the subject of Soviet activity in the field of oceanography. He said also that Senator Warren G. Magnusen (D., Wash.) might like to be present. We are to suggest a date for this meeting after checking further with OSI.
