VIA: Deputy Director for Administration
Chief, Support Services Center, MPSS/DI

FROM: John M. Ray
Director of Logistics

SUBJECT: Request from the Collection Requirements Evaluation Staff
for Additional Space [redacted]

REFERENCE: Memo for C/HCS/FMD/OL from EO/CRES/DI, dtd 2 Aug 88, Same Subject

1. We regret that we are unable to provide you the additional space you have requested in the 3E corridor of the Original Headquarters Building. As you are aware, the space requested is assigned to another directorate. While your arguments are compelling, it would not be appropriate for the Office of Logistics to pass judgment upon the relative merits or benefits of the missions of various Agency components when allocating space. [redacted]

2. Please be assured, however, that we are sensitive to your need for additional space and security. We hope to provide for them in the design of your new permanent quarters. In the interim, we suggest that you consider accepting some expansion space at Key Building. Alternatively, you may want to explore the possibility of expanding into space at the [redacted] which your directorate now occupies. [redacted]
