MEMORANDUM FOR: Acting Chief, Career Management Office, DA

FROM: [Redacted] Chief, Administrative Staff, FBIS, DS&T 25X1

SUBJECT: MG Field Position in FBIS [Redacted] 25X1

I would appreciate your reviewing the MG career development profile which was evidently forwarded to the field last fall. It mistakenly lists an assignment to a FBIS field Bureau as a GS 9-11 entry level position. FBIS has two MG positions in the field, Okinawa and London, both of which are at the GS-13 level. Would you please correct the profile before any future publication or panel meetings, indicating the FBIS field positions as Level II. [Redacted]

This pamphlet is intended to serve as a guide for all MG careerists, as well as a tool for the DDA Career Management Staff, in managing and planning a career as a Management Generalist. It will be used as a guideline when determining the training, and types of assignments which would be appropriate for each officer at each level of experience. It is intended as a flexible tool, and not as a rigid blueprint that must be followed without deviation.

The various levels generally correspond with the following GS grades.

<del>Entry level</del>	GS 9-11
<del>Level II</del>	GS 12-13
Level III	GS 14
Level IV	GS 14-15
