Please read the attached and let me know if there is a problem. Shouldn't we (OIT) be doing this? It is fine to have the DCI Security Staff involved, but what happens when [redacted] leaves? Let's take over responsibility and get this done right.

thanks,  
Larry

**REMARKS**

I sent a copy of the attached to  
 CSG. We seem to be getting  
 "less involved" in VHF radio  
 support as time goes on.

MEMORANDUM FOR: Director, Office of Information Technology

VIA: [redacted]  
Chief, DCI Administration

FROM: [redacted]  
Chief, DCI Security Staff

SUBJECT: DCI Security Staff Communication Survey

1. It is requested that the Office of Information Technology (OIT) conduct a survey of DCI Security Staff's radio network. As Staff operations continue to grow and become more complex, it is becoming increasingly obvious that the existing system is inadequate. [redacted], the communications referent for the Staff, is intimately attuned to the limitations of the existing system and the requirements for the future. [redacted]

2. [redacted] has already been in contact with representatives of [redacted] who are proposing changes to efficiently enhance the networks capabilities. [redacted] Chief/R&D/DFD/OG/OIT, has been included in these discussions and already has a working knowledge of the system. [redacted]

3. For planning and budgeting purposes it would be greatly appreciated if this study could be completed within 30 days. Any questions may directed to [redacted]

[redacted]
