Dick:

I don't believe the DDI would have any reservations about automatically sending to the SSCI all the reports listed in the weekly "Selected Reports of the DDI."

The problem lies in getting DDO clearance [Redacted] The solution is to add SSCI to the list of proposed customers when

STAT

The DDO has not wanted to do this, but perhaps Simmons' letter will force them into it.

Dear

Please review the attached letter from Rob Simmons regarding the automatic delivery of DDI publications. I don't have any problems with it myself, but someone in the DDI might. Please advise me as to what you would like to do.

Thanks.

BELIEVE WE WILL ACCEDE IN THE END. WOULD LIKE AN EXPEDITIOUS RESPONSE, PLS.

Rob Simmons' request for automatic distribution to the SSCI of all DDI reports cited in the weekly "Selected Reports" has been discussed with Bob Gates (DDI) and he believes this should be done.

Please let me know whether the DDO agrees. We are anxious to respond positively to Simmons.

Dear [Redacted]

STAT

On a regular basis, the Senate Select Committee on Intelligence receives copies of a report titled "Selected Reports of the Directorate of Intelligence."

In the past, we have used this document as a basis for requesting copies of the reports listed therein. This has proved to be a tedious and time-consuming process, especially when you consider that most of the reports contained in this document must be individually ordered by us. On this basis, I hereby request that we be placed on automatic distribution for all of the reports contained in the "Selected Reports of the Directorate of Intelligence."

Please advise if you have any problems with this. Thank you for your attention to this matter.

Sincerely,

Robert R. Simmons  
Staff Director
