STAT

SUBJECT : SSCI Staff Request

BRIEFING DATE : Friday, April 29, 10:00 a.m. at Headquarters

REQUEST : Sen. Garn's designee on SSCI, Gene Iwanciw, has requested a briefing on Soviet space activities with a focus on Moscow's intentions and the military applications of the Soviet space program. The staffer may also question whether the US government has allocated enough resources to adequately cover Soviet space activities and to warn of their future impact on US security.

The staffer has SI/TK.
