INTERNATIONAL PROTECTION AND SECURITY SERVICES

SECURITY SURVEYS

Security Design

Security Management

INTERPASS conducts risk surveys which determine the nature of threats which a client may face. We then recommend a security program to counter the threat. This program may include personnel and/or security equipment.

INTERPASS has a staff of highly-trained security consultants who design technical security systems for a variety of facilities. We coordinate our activities with architects and contractors. INTERPASS obtains bids from security subcontractors and advises clients on the evaluation and selection of these bids.

INTERPASS principals and associates have high-level management and administrative experience which has been utilized to advise clients on the appropriate location and structure of a security component within an organization. INTERPASS regularly evaluates security organizations and systems for corporate clients and private individuals.

Advance Security Surveys

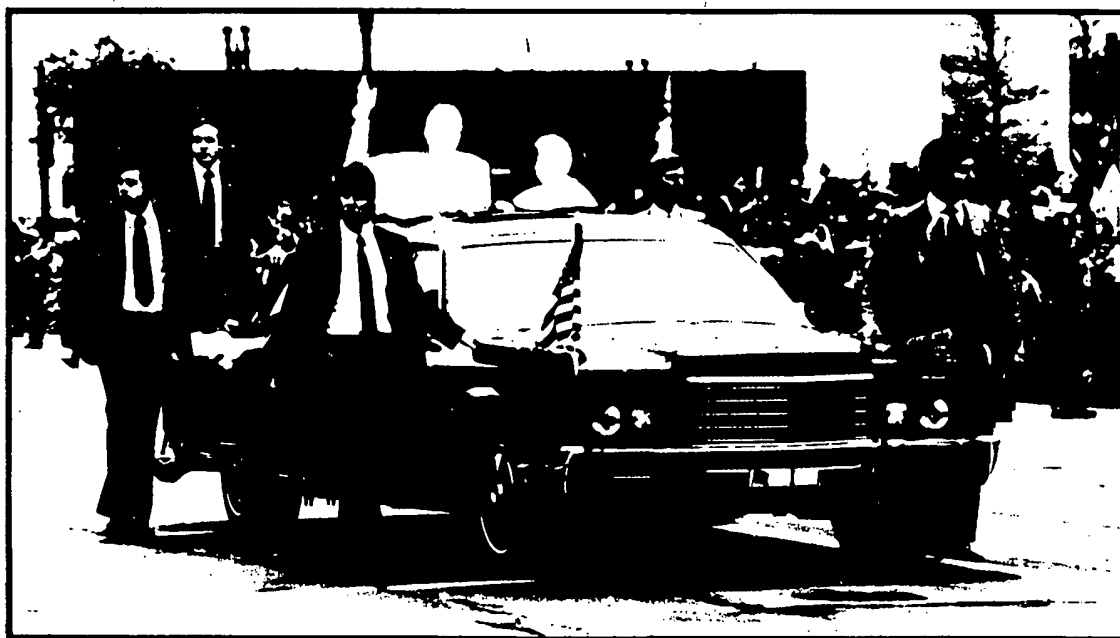

Security for Conventions and Other Special Events

Seminars for Traveling Executives

INTERPASS has furnished protective services to executives of major corporations, former high-level government officials, heads of state and well-known private individuals in the United States, Europe, Africa, South America and the Far East. Our executive protection services are characterized by efficiency, highly-trained and experienced personnel, through advance preparation and the ability to develop information in the United States and overseas.

Technical supplements to our executive protection services include explosive device searches with specially-trained dogs, audio countermeasures sweeps, alarms, cameras and radio communications.

INTERPASS has furnished a full range of security services for conventions, business meetings and other special events. These services include advance surveys, intelligence gathering and physical protection.

EXECUTIVE RECRUITING

Security Management Positions

INTERPASS is actively engaged in recruiting law enforcement and security professionals to serve in Corporate Security Management positions. The individuals we recruit have the ability and experience to serve at the Senior Vice President level in charge of security for large organizations. INTERPASS contacts at the highest levels of Federal, State and Local Law Enforcement Agencies make us uniquely qualified to serve our clients in this area.

CRISIS MANAGEMENT

Security-Related Emergencies

Natural Disasters

Business-Related Crises

INTERPASS conducts crisis management training exercises for corporate managers. We prepare scenarios and plan exercises in conjunction with the client's needs and situation. INTERPASS principals and associates then conduct crisis management exercises with appropriate corporate officers. These exercises are designed to be constructive and to improve the functioning of a management team to deal with any kind of emergency situation.
