Subject: Beal and Warning Meetings

Charley-

As I noted  I will be at Tuesday's staff meeting. Would appreciate it, therefore, if you would note that Beal's staff people from the CMF (Crisis Management Facility) are to be invited to the Monthly Warning Meetings. We have passed to him this month's schedule, but NIOs should inform him directly from here on out.

STAT

Thanks,

  
D.Y. McManis
