1. Please accept my thanks for the fine work done by you and your branch during the 1983 Air Force Assistance Fund. Major General Springer's letter says it best, but I want to underscore that the Air Force truly appreciates the work and the outstanding results that help our people who serve and have served so well.

2. I hope you can find a prominent place to display the certificate that recognizes a 152% of goal performance. Well done. Thank you.
