MEMORANDUM FOR: Mr. Harry A. Williams, DCSINT (Plans & Operations)
U.S. Army Western Command
Fort Shafter, HI 96858

FROM :
Assistant National Intelligence Officer
for Warning

25X1

SUBJECT : NIO/Warning Videotape

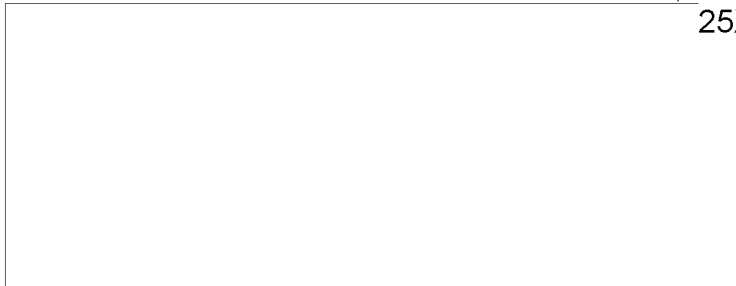

1. Thank you for your recent inquiry about our training videotape, "Warning and Decision Making." My response has been somewhat tardy due to the fact that all of our extra tapes have been distributed and we have had to make additional reproductions. I hope the product is worth the wait.

2. We will also add your command to our distribution list. Future tapes will include an orientation to key Washington Area Operations/Intelligence Centers and discussions with prominent writers in the Warning and related disciplines.

3. Your comments on the enclosed and following tapes are welcome and encouraged. Dave McManis sends his best regards and I do as well.
