MEMORANDUM FOR: Mr. Douglas P. Mulholland
Special Assistant to the Secretary for
National Security
Department of the Treasury

SUBJECT: Washington Area Operations-Intelligence Center
Chiefs (WAOCC) Conference

1. I wish to thank you for your willingness and superb efforts to host the January meeting of the WAOCC Conference. Your welcome and discussions beforehand were appreciated by the conference and helped us to set the framework for an important agenda.

2. In particular, I want to commend Art Long and Fran Lawson to you for their excellent support. As you know, Art Long is a valuable contributing member of our group and he often provides us a critical perspective on economic issues as they impact on the warning and crisis management duties of our centers. His willingness to host our conference is very much appreciated. Fran Lawson took on the task of coordinating the clearances of our varied organizations and personally solved the several problems that developed in the process. She was truly superb in her follow through and attention to detail.

3. Our conference was very successful due to the efforts of your people. Thanks again.
