Dear [Redacted]

STAT

Recently we discussed a study that you prepared entitled "Systems Options for Improving C<sup>2</sup> Capabilities," IDA R-261, Aug 1981. As you will recall, your study was recommended to the National Intelligence Officer for Warning because it contains insightful words about the problems of collection and warning.

We have researched our library resources and are unable to obtain a copy of the report. Therefore, we would like to accept your offer to provide us a copy directly. The study should be addressed to:

Mr. David Y. McManis  
National Intelligence Officer for Warning  
Room 7F18, CIA Headquarters  
Washington, D.C. 20505

Thank you for your help. I look forward to talking to you again.

Sincerely,

[Redacted Signature]
