NOTE FOR: Chairman, National Intelligence Council
VIA: Vice Chairman, NIC (Mr. Meyer)
FROM: David Y. McManis
National Intelligence Officer for Warning
SUBJECT: NWS Staffing

1. Jim Pfautz has been working actively to fill the Air Force billet on the National Warning Staff, which became vacant shortly after my arrival. I am close to making a final decision -- a young Air Force Academy graduate who is a Soviet area specialist and is hungry for the position. He will also be available in the near future.

2. We are also in the process of rotating the Army position, which will become vacant in late spring. Will keep you informed on our progress.

3. Both billets are covered by the Service components.
