The Director of Central Intelligence
Washington, D.C. 20505

National Intelligence Council

NIC #7416-83
14 October 1983

MEMORANDUM FOR: ICS/IHC

FROM : David Y. McManis
National Intelligence Officer for Warning

SUBJECT : Community User Requirements for the
NOIWON Upgrade

25X1

As an action item of the Washington Area Operations-Intelligence Center Conference (WAOCC), the members reviewed the specifications developed by your office to upgrade the NOIWON. The user requirements contained in the attachment represent the inputs of conference members. Request that you develop the specifications and submit the community requirement to DCA. Your estimate of system availability 22 months after funding should be a firm objective. If there is action on our part that will help you to incorporate this requirement into the budget currently under development, please let us know.

David Y. McManis
