Central Intelligence Agency

Washington, D.C. 20505

February 16, 1989

The Honorable James C. Fletcher  
Administrator  
National Aeronautics and Space Administration  
400 Maryland Avenue, S.W.  
Washington, D. C. 20546

Dear Dr. *Jim* Fletcher:

On behalf of the Agency and my colleagues, I personally want to thank you for participating in our Guest Speaker Program on 2 February 1989. Your presentation was truly enlightening and enjoyed by all.

As a result of your address, we came away with a new appreciation of the opportunities and challenges facing NASA as we enter the future. NASA can be proud of its developments and accomplishments, and it is reassuring to know that the United States remains a leader in space-age technology.

Sincerely,

*Bill*

William H. Webster  
Director of Central Intelligence

DCI EXEC REG

25 January 1989

JUDGE:

RE: Your proposed introduction  
of James C. Fletcher  
2 February 1989 10:00 a.m.  
Headquarters Auditorium

You are scheduled to introduce James C. Fletcher, Administrator of the National Aeronautics and Space Administration, when he speaks to Agency employees as part of the Guest Speakers Program. Dr. Fletcher's topic will be "The Challenge and Opportunities in Space." I have attached brief introductory comments (see opposite for cards).

The following schedule has been set for Dr. Fletcher's visit:

- 0945 Dr. Fletcher and several aides arrive in front of the main lobby at Headquarters and are met by Stan Moskowitz, the Director of Training and Education. Moskowitz greets them and accompanies Dr. Fletcher to Judge Webster's office.
- 0955 Judge Webster, Dr. Fletcher, and Moskowitz will proceed to the auditorium via the DCI elevator.
- 1000 Judge Webster goes to the podium to introduce Dr. Fletcher as the guest speaker.
- 1040 Accompanied by Judge Webster, Dr. Fletcher and his aides are escorted from the auditorium to depart CIA.

PROPOSED REMARKS  
BY  
WILLIAM H. WEBSTER  
DIRECTOR OF CENTRAL INTELLIGENCE  
INTRODUCTION OF JAMES C. FLETCHER  
HEADQUARTERS AUDITORIUM  
FEBRUARY 2, 1989

THERE ARE FEW MEN WHO, HAVING ONCE HEADED AN ORGANIZATION, ARE EVER ASKED TO LEAD IT AGAIN. OUR GUEST SPEAKER TODAY, DR. JAMES C. FLETCHER, IS ONE OF THOSE RARE INDIVIDUALS WHOSE TALENT AND ENERGY COMPELLED A REPEAT PERFORMANCE. DR. FLETCHER SERVED AS ADMINISTRATOR OF THE NATIONAL AERONAUTICS AND SPACE ADMINISTRATION FROM 1971 TO 1977, AND HE ANSWERED PRESIDENT REAGAN'S CALL TO RETURN TO NASA IN 1986. HIS MISSION WAS TO REBUILD THE SPACE AGENCY AND RESTORE MORALE FOLLOWING THE "CHALLENGER" TRAGEDY, AND IT IS CLEAR THAT HE HAS BEEN SUCCESSFUL. THE VIRTUALLY FLAWLESS LAUNCH AND RETURN OF THE SPACE SHUTTLE "DISCOVERY" LAST SEPTEMBER WAS PROOF THAT OUR NATIONAL SPACE PROGRAM IS BACK ON TRACK.

WHILE HE IS PERHAPS BEST KNOWN FOR HIS ASSOCIATION WITH NASA, DR. FLETCHER HAS HAD A LONG AND DISTINGUISHED CAREER AS A

RESEARCH SCIENTIST AND ACADEMICIAN. A GRADUATE OF COLUMBIA UNIVERSITY AND THE CALIFORNIA INSTITUTE OF TECHNOLOGY, DR. FLETCHER BEGAN HIS CAREER AS A RESEARCH PHYSICIST WITH THE U.S. NAVY BUREAU OF ORDNANCE. AFTER HOLDING RESEARCH AND TEACHING POSITIONS AT HARVARD AND PRINCETON UNIVERSITIES, HE WORKED FOR SEVERAL FIRMS THAT WERE DEEPLY INVOLVED IN U.S. AEROSPACE DEVELOPMENT. IN 1958, WITH AN ASSOCIATE, DR. FLETCHER ORGANIZED AND WAS THE FIRST PRESIDENT OF THE SPACE ELECTRONICS CORPORATION. HE LATER SERVED AS PRESIDENT AND CHAIRMAN OF THE SPACE GENERAL CORPORATION, AND THEN AS SYSTEMS VICE PRESIDENT OF AEROJET GENERAL CORPORATION.

IN 1964, DR. FLETCHER BECAME THE EIGHTH PRESIDENT OF THE UNIVERSITY OF UTAH, A POST HE HELD FOR SEVEN YEARS BEFORE BECOMING NASA ADMINISTRATOR FOR THE FIRST TIME. AFTER LEAVING NASA IN 1977, DR. FLETCHER HELD A PROFESSORSHIP AT THE

UNIVERSITY OF PITTSBURGH AND HEADED HIS OWN CONSULTING FIRM.

HE RETURNED TO THE SPACE AGENCY IN MAY, 1986.

AS A RESEARCH SCIENTIST, DR. FLETCHER HAS DEVELOPED PATENTS IN SONAR DEVICES AND MISSILE GUIDANCE SYSTEMS. HE HAS WORKED ON THE PRESIDENT'S SCIENCE ADVISORY COMMITTEE AND HAS SERVED ON SEVERAL PRESIDENTIAL TASK FORCES AND MANY GOVERNMENT-INDUSTRY COMMITTEES.

DR. FLETCHER IS HERE TODAY TO TALK ABOUT "THE CHALLENGE AND OPPORTUNITIES IN SPACE," A TOPIC HE IS UNIQUELY QUALIFIED TO ADDRESS.

PLEASE JOIN ME IN WELCOMING DR. FLETCHER.

Deputy Director for Administration

FROM: Stanley M. Moskowitz  
Director of Training and Education

SUBJECT: Agency Guest Speaker Program -  
Dr. James C. Fletcher

REFERENCE: Ltr to DCI dated 7 Nov 1988

1. The Science and Technology Institute of the Office of Training and Education, Directorate of Administration, has been successful in obtaining Dr. James C. Fletcher, Administrator of the National Aeronautics and Space Administration, as a guest speaker. Dr. Fletcher is scheduled to address interested Agency personnel at 1000, 2 February 1989 in the Headquarters Auditorium.

2. We hope that you, or the Deputy Director of Central Intelligence, will be able to introduce Dr. Fletcher on that date.

3. [redacted] of the Science and Technology Institute is the contact person in this office for the program and is making administrative arrangements with Dr. Fletcher's staff. She can be reached on [redacted]

Central Intelligence Agency

Washington, D. C. 20505

28 NOV 1988,

Dr. James C. Fletcher  
Administrator  
National Aeronautics and Space Administration  
400 Maryland Avenue, S.W.  
Washington, D.C. 20546

Dear Dr. Fletcher:

The Central Intelligence Agency (CIA) has established a guest speaker program in the fields of science and technology. The CIA would welcome your participation in this series.

You would address an audience of some 500 people, including many of the Agency's senior managers, at our Headquarters complex. The format includes a lecture of approximately 45 minutes followed by 20-30 minutes of questions. Because of the Agency's interest in future U.S. space programs and comparison of its goals and objectives to those of other countries and groups, I hope you could focus your remarks on these issues.

We suggest any of the following times for your presentation:

24 January 1989 at 10:00 A.M.  
02 February 1989 at 10:00 A.M.  
23 February 1989 at 10:00 A.M.

If these are inconvenient, we would welcome a suggestion from you.

I appreciate your consideration of this invitation, and hope that you will be able to accept. I have asked [redacted] of our Office of Training and Education to coordinate your visit. [redacted] can be reached at [redacted] and will be happy to provide your office with additional details about the program and all the support you will need.

Sincerely,

/s/ Bill

William H. Webster  
Director of Central Intelligence
