PRESIDENT'S
COMMISSION ON WHITE HOUSE FELLOWSHIPS

THE WHITE HOUSE
May 16, 1989

The Honorable William H. Webster
Director
Central Intelligence Agency
Washington, DC 20505

Dear Judge Webster:

On June 5, the President will announce the twenty-fifth class of White House Fellows. This group of between eleven to nineteen outstanding Americans, selected from nearly one thousand applicants nationwide, will begin their Fellowship assignments on September 1, 1989. As you may know, Fellows serve as Special Assistants to members of the President's White House staff, to the Vice President, and to members of the Cabinet or to agency heads.

On behalf of the Commission, we invite you to consider selecting a member of the 1989-90 class of White House Fellows to serve as your Special Assistant. In our twenty-fifth year, we are proud that the White House Fellows Program has lived up to its original promise of developing our best and brightest young people for future service to the country.

The work assignment is the focus of the White House Fellowships. The Fellows also take part in an education program which includes bi-weekly luncheon seminars and occasional domestic and foreign travel. The Fellow's work assignment, however, takes priority so that a Fellow becomes a full and productive member of your staff.

If you are interested in selecting a Fellow for the Fellowship year beginning September 1, please provide the name of a person on your staff who will serve as a liaison to review applications and schedule interviews. I can be reached at 395-4522. A set of files on the new Fellows will be sent to your designee the week of June 5. Interviews will be scheduled the week of June 19.

I would be delighted to meet with you or your staff to discuss the candidates or any aspect of the program. I look forward to hearing from you soon.

Sincerely,

Marcy L. Head
Director

Dear Ms. Head:

This is in response to your letter regarding the White House Fellowship Program. I am familiar with the program and acknowledge that those selected as Fellows are outstanding individuals. I am pleased that the Central Intelligence Agency (CIA) was asked to participate. For a program such as this, however, the security implications of working for the CIA and the time factor involved with our investigation and clearance process make it difficult for us to take part in such a program.

Again, I thank you for considering the CIA as a sponsor of this important commission.

Sincerely yours,

William H. Webster
Director of Central Intelligence

Joyce:

In view of the DCI's past association with the White House Fellows Program (having had three White House Fellows at FBI), I think a letter for the DCI should be prepared at least letting them know our decision.
