RE: Speaking Invitation
President's Commission on
White House Fellows Alumni
Washington, D.C.
4-6 May 1989

Vice President of the White House Fellows, Paula Cholmondeley, has invited you to address the White House Fellows Alumni Association in Washington, D.C. 4-6 May. The suggested format is 10-15 minutes of off-the-record remarks followed by 10-15 minutes of questions and answers. You could expect an audience of 175 former White House Fellows from around the country including members of this year's class. Last year you spoke to the alumni group, and the Fellows anticipate that the audience makeup will be about the same.

We called the White House Fellows several weeks ago suggesting that if you spoke at the alumni association meeting this could also take care of your commitment to speak to the present White House Fellows class. The class plans to reschedule a meeting with you after canceling the 13 March date in order to see the Space Shuttle Discovery blast off. However, staff members of the White House Fellows Office returned our call several days ago recommending that you speak to the present class separately in order for them to have the benefit of meeting with you on a more individual basis.

Since you spoke to the alumni association in 1988, and we anticipate the current class of Fellows will be rescheduling a meeting with you, I recommend that you decline this invitation. If you agree, attached is a letter for your signature.

Dear Ms. Cholmondeley:

I appreciate your invitation to address the White House Fellows Alumni Association sometime between May 4th-6th in Washington, D.C. I enjoyed meeting with your alumni group last year and would enjoy speaking to them again. Unfortunately, my schedule this spring is particularly tight with previous long-standing speaking engagements and travel plans. However, please give your members my regards.

Best wishes for a successful meeting.

Sincerely,

Re: White House Fellows Alumni Annual Reunion

Dear Mr. Webster:

I would like to invite you to speak at the annual meeting of the White House Fellows Alumni Association. The meeting will be held in Washington, D.C. from May 4 to May 6, 1989. Approximately 175 former White House Fellows from around the country will attend. Members of this year's White House Fellows class will also join us.

As you well know, the White House Fellows Program selects 10 to 15 people each year to serve as assistants to members of the Cabinet or White House staff. The Fellows are selected on the basis of their professional achievements, leadership potential and service to others. After their year in Washington, they normally return to their communities and resume their careers. The purpose of the annual meeting is to reacquaint ourselves with national policy issues and each other. Our alumni come from throughout the United States and occupy responsible leadership positions in government, industry, the professions, academic and the military.

Over the years, we have been fortunate to have very senior government, business, and academic leaders speak at our annual meeting. Our speakers typically make 10 to 15 minutes of informal remarks on the most significant issues facing their respective departments or agencies, and then take another 10 to 15 minutes of questions. All sessions are off-the-record.

At this point, the program agenda is wide open and you could participate at any stage of our two and a half day meeting. We would be honored to have you visit with us and hope somehow you can fit us into your demanding schedule. We would be happy to discuss the program in more detail with a member of your staff. Ken Simon who is assisting me with the reunion will contact you, however, he can be reached at (202) 272-2345.

Sincerely,

Paula H.J. Cholmondeley
