NOTE FOR:

FROM :

SUBJECT : DCI's Overseas Travel--July through
September

A DCI trip during this period would probably have greatest impact in consideration of appeals, particularly to the Appropriations Committees. From time to time his personal intervention is required on a particular issue with a committee chairman. It is not possible at this point to foresee the specific requirement. He should, I believe, be prepared to delegate this to either Frank Carlucci or John should he be out of the country. Appeal letters themselves can, of course, be presigned or even pouched for signature should that be required.

MEMORANDUM FOR: STAT
 Special Assistant to the Director

FROM: STAT
 Deputy to the DCI for Resource Management

SUBJECT: DCI's Overseas Travel

We anticipate the Program Review phase for the FY 81 NFIP budget to be extremely important. Barring changes, it should run from mid-June through late-July. The third and fourth weeks of July from the 16th to the 27th are particularly critical. During this period the DCI will solicit the advice of NFIB and the PRC(I) and issue his program decisions. Following that flurry of activity, we do not expect that the Director STAT needs to be personally involved in the budget process again until some-time in October.
