MEMORANDUM FOR:

[Redacted]

Director, OPP/ICS

25X1

FROM :

[Redacted]

Executive Officer, National Intelligence

SUBJECT :

Perspectives for Intelligence

REFERENCE :

D/OPP/ICS Memorandum dated 20 October 1976,
Same Subject

We concur with the draft of the Perspectives with the exception of a very small change in Section 2 on page 11 at line 260. The sentence would now read: "Intelligence will be called upon more often to penetrate terrorist groups and abort their plans, to assess the strength and effectiveness of possible countermeasures in" The rationale for this change is to broaden the statement of what will be expected of the Intelligence Community in reference to international terrorism.

NOTE FOR: All NIOs

At our recent meeting to discuss the NIOs' relationship with the DDI, we agreed that a subsequent meeting with the DDI would be profitable. This meeting has been arranged on October 29th at 3:00 p.m. in the DDI Conference Room. So that we do not completely overpower the DDI with numbers, we ask that only the NIO or one of his Assistants attend this meeting.
