MEMORANDUM FOR [REDACTED]
DEPUTY DIRECTOR FOR JCS SUPPORT
DEFENSE INTELLIGENCE AGENCY

STAT

SUBJECT: Request for DIA publications

As a result of discussions with [REDACTED] as well as [REDACTED] we have been made aware of several current intelligence products that would be of use to the National Security Council staff. The summaries provide an excellent overview of current defense intelligence issues; the forecasts will aid in focusing attention on potential crisis areas.

- Morning Summary
- Afternoon Summary
- Weekly Intelligence Forecast
- Quarterly Warning Forecast

Delivery of the Morning Summary is requested as early as possible, the other publications could be delivered through the DI-1 liaison officer. We appreciate your support in meeting our request.
