Dear Mr. McClelland:

The Fine Arts Commission of the Central Intelligence Agency desires your assistance in obtaining the loan of original art from the National Collection of Fine Art.

Especially needed is one large, cheerful painting, preferably impressionistic in style for use in the Director's suite. Also, should any scenic historic prints be available, they would suit the decor of this area.

In addition, we are interested in short-term loans of small exhibits to be displayed in the Executive Dining Room.

If you now have, or will in the future have any works to suit our needs, please contact our Interior Design Consultant, [redacted] at this address or by calling [redacted]

Thank you for your attention.

Sincerely,
