BASED ON OBSERVATIONS AND STATION ANNOUNCEMENTS, WE FIND THAT PARAGUAY HAS BEEN USING INCORRECT SOURCE LINES FOR TWO OF THE TRANSMITTERS WE COVER. SAO PAULO OADECA VERDE AMARECA IS ONLY A PART OF THE SAO PAULO RADIO BANDEIRANTES NETWORK IN PORTUGUESE AND IT IS THE BANDEIRANTES NETWORK THAT WE ACTUALLY MONITOR. THE SAME IS TRUE OF MONTEVIDEO OADENA DE ORO DEL INTERIOR WHICH IS PART OF THE MONTEVIDEO RADIO EL ESPECTADOR NETWORK IN SPANISH. THESE CHANGES WILL BE REFLECTED IN OUR NEXT COVERAGE CHANGE REPORT.
