Memorandum For The Record

Subject: Annual Wage Increases for GAD Under GA Wage Schedule

STAT

1. Called [redacted] at BEP position classification to see what is holding up the annual wage increases for GAD/Reproduction Techs: Die Sinkers and Picture Engraver categories ~~xxx~~ which has an effective date of 1 November and published circa early December.

2. Problem is with the unions which are asking for negotiation rights prior to implementation of wage increases. Status of case: salary comparison survey data has been received by BEP from American Banknote Corporation in New York City; unions have obtained a lawyer to represent them and case was submitted to Dept of Treasury who has bounced it back to BEP; BEP is about ready to meet with union reprs to discuss demands and legal entitlements, if any.

3. [redacted] said it would probably take at least 3 weeks before any decision will be reached regarding the amount of pay adjustments, and he will advise me as soon as any new developments. Informed [redacted] DCH/GARB about this.
