1. C/PSB 5U32 HQs		7/14/91	lee	The attached, updated GP Pay Schedule reflects the adjusted hourly rates for all Agency wage employees in the listed occupations. These rate adjustments are always late (due to union negotiations), and we did not receive the GPO notices until 12 July 1991. The attached schedule does not have new rates for mechanics/machinists as negotiations are still ongoing. In addition, the Bureau of Engraving has yet to publish new rates for those employees paid on the Graphic Arts (GA) Schedule. Schedules for both mechanics/machinists and graphic arts will be published as soon as updated rates are available.
