Curriculum Vitae

Paul E. Bloom

**Education:** He received his A.B. degree in Foreign Service from the George Washington University and has done graduate work at that university and the University of Texas.

**Experience:** His early practical transportation experience was obtained with the Duluth, Missabi and Iron Range Railway.

1935-1941. He entered Government service in 1935 and served as Foreign Land Transportation Specialist with the Transportation Division, Bureau of Foreign and Domestic Commerce, Department of Commerce until 1941 when he was requested to become Senior Rate Analyst with the Civil Aeronautics Board.

For four war years he served as an intelligence officer with the USAF. During this time he prepared basic studies on the vulnerability of the European Axis through air attack on transportation and other industries and served as a member of the Joint Intelligence Staff of the Joint Intelligence Committee, as a member of the Plans and Policy Staff of the Directorate of Intelligence, USAF, and as intelligence officer of the Armed Forces Division, ONIUS.

After release from military service he returned to the Civil Aeronautics Board as Transportation Analyst and held that position until November 1948. [redacted]

[redacted] he accepted his present position, Chief of the Transportation Section, Target Research Branch, Air Targets Division, D/I USAF/ONI, in September 1949.

Mr. Bloom is the author of numerous studies and articles on foreign transportation problems. He holds the grade of Lieutenant-Colonel in the Air Force Reserve.
