Principles for Sanitization of Photography:

1. The Chairman undertook to distribute a revision of the Air Force proposal such revision to take into account the discussion of the meeting.

Principles for Utilization [redacted]

2. [redacted] distributed a paper setting forth his proposals for the principles to guide the utilization of [redacted]. The Chairman undertook to distribute a revision based on the discussion.

(N. B. The two "principles" referenced above were distributed by the Chairman on Tuesday, 22 May. Each agency is requested to review these, looking toward an early meeting for the purpose of reaching agreement on these papers. It is understood that a comparable paper on Sanitization of [redacted] will be available from [redacted] in the near future.)

Requirements for Photography:

3. [redacted] Intelligence Officer for the Project, displayed a map showing the location of about one-half of the targets submitted by the agencies, with the priorities indicated by red pins for those pertaining to DCID 4/5-Priority I and blue pins for those pertaining to DCID 4/5-Priority II. The discussion which
