25X1

Releasability of Photography over Burma 25X1 1. Portions of fall over Burma (see attachments 1 through 3). Frames from the aforementioned missions and WAC overlays showing Burma coverage are available at a SECRET level but are currently maintained in TALENT Control area. 2. Previous directives on releasability have been concerned only with Laos, North Vietnam, and China. Currently no guidelines exist on releasability of Burma coverage. Recommend that frames and overlays of Burma coverage on be released from the TALENT system at the SECRET NO FOREIGN DISSEM level. 25X1 Attachments:	For Release 2008/03/03 : CIA-RDP92B01090R002700030038-4
