Mr. Alan H. Belmont
Assistant to the Director
Federal Bureau of Investigation
5736 Department of Justice Building
Washington 25, D. C.

Dear Mr. Belmont:

The Director of Central Intelligence has approved steps to make the Conference Room of the United States Intelligence Board more attractive and functionally more useful to better serve the interests of the Board. We believe that it would be especially fitting in view of the overriding importance of the Board's responsibilities in the intelligence community that the insignia of each of the participating agencies would be appropriately displayed on the walls of the Board room. It is the intention that an artist would design the insignias reflecting the design and color of the original which each agency submits.

Would you be good enough to forward a copy of your insignia of the Federal Bureau of Investigation and advise the name of an officer with whom we may be in contact insofar as further inquiry is necessary. I have requested Mr. James Q. Reber, Chairman of the Fine Arts Commission of CIA, to supervise the work entailed in this project. He may be reached on [redacted] should you or your staff desire further information.
