Dear Mr. McCool:

Reference is made to the letter of Mr. Kirkpatrick to Mr. Harry S. Traynor regarding insignia for use in the United States Intelligence Board conference room.

As a result of our discussion with the interior designer, it has been decided that it would be best to use plaques. The plaque of your agency which you have loaned to us is entirely satisfactory and we would appreciate authorization to keep it and post it in the room.

Thank you very much for your help on this project.
