1. USIB, on 13 September, through medium of vote sheet action completed on that date, approved the COMOR recommendation on the subject which was submitted in paragraph 5 of the reference. Specifically, thereby, the Board noted Tab A to USIB -D-41. 14/63 and approved, initially, the inclusion of the Sino-Soviet and Sino-Indian borders in the programming of the  standby as indicated in paragraph 3 of that document, with the explicit understanding that the decision on whether the  will actually be used against these areas is to be made at the time the  is employed.

2. The above action has been referred by memorandum (USIB -AM-63/41, 16 September) to the Chairman, COMOR, for appropriate implementation.
