SUBJECT: POLICY COORDINATING COMMITTEE FOR EMERGENCY  
PREPAREDNESS/MOBILIZATION PLANNING (PCC-EPMP)

The President has issued a National Security Directive which establishes an interagency Policy Coordinating Committee (PCC) for Emergency Preparedness/Mobilization Planning to be chaired by the Director of the Federal Emergency Management Agency. Its full membership will be comprised of senior policy officials at the Assistant Secretary level or equivalent designated by the heads of the Federal departments and agencies addressed by this memorandum, all of whom have responsibilities under Executive

Order 12656 entitled, "Assignment of Emergency Preparedness Responsibilities."

These designated PCC members should also be the agency Emergency Coordinators called for by Executive Order 12656. I request that you provide the name of your Emergency Coordinator to me by May 30, 1989.

The meeting of the full PCC-EPMP will be held at 1:00 p.m. on June 15, 1989, at the Old Executive Office Building. This meeting will provide an introduction to Executive Order 12656, the process we will recommend to accomplish its implementation and the development of the high priority agenda.

Subsequent meetings of the full PCC-EPMP will be held at least one time per year, and will focus on progress in the implementation of EO 12656 and selected national security emergency preparedness issues. Those departments and agencies having direct involvement in specific agenda issues will be asked to attend more frequently, while attendance of other PCC members will be optional.
