Dear [Redacted]

STAT

Per our July 17 conversation, the Department of Commerce has no objections to CIA providing the House Permanent Select Committee on Intelligence with copies of the Haslam and Moyer reports. As we discussed, I would recommend that at a minimum, you inform State, NSA and Justice of your actions.

The copy of the Moyer Report, which you sent to us, is being returned to you under separate receipt due to its classification.

If I may be of any further assistance, please telephone me on 377-2263.

Sincerely,

Robert P. Gallagher  
Office of Intelligence Liaison
