NOTE TO: Carl Ford

National Intelligence Officer

SUBJECT: The North Korean NIE

1. Just to confirm, I gather it will take several weeks for the terms of reference on the North Korean NIE to make its way through the NIC review process. We are marching along in drafting the piece in any case, but would appreciate an early heads up on any peculiar twists or turns that arise because of suggested changes in the estimate as the TORs move forward.

2. Per your conversation with we also are shooting for a 15 to 20 page draft (double spaced) to deliver to you in December.
