LOGNOTE -- Chief, Operations Group, 30 October 1985

(cc: D/FBIS, C/AS, SA/CD)

received a note from the Director of Personnel telling that PMCD management has no problems with his rotation to FBIS for	,	(Lowcock) PMCD, called today to advise that he had	STAT
that PMCD management has no problems with his rotation to FBIS for a year. Their only concern is that remain at PMCD until a replacement is found, approximately 2 months. I advised Norm that FBIS had no problem with this timing, although we would like him to at least start work on a mechanism for collecting wage survey data to support FBN compensation scales while still at PMCD. Norm agreed to make every attempt to do this given the urgency of the problem. The Director of Personnel will be sending a memorandum to D/FBIS in the next few days advising of his	1.	received a note from the Director of Personnel telling	ŠÍAI
a year. Their only concern is that remain at PMCD until a replacement is found, approximately 2 months. I advised Norm that FBIS had no problem with this timing, although we would like him to at least start work on a mechanism for collecting wage survey data to support FBN compensation scales while still at PMCD. Norm agreed to make every attempt to do this given the urgency of the problem. The Director of Personnel will be sending a memorandum to D/FBIS in the next few days advising of his		that PMCD management has no problems with his rotation to FBIS for
