49 nikolay borin presents discussion program on u.s. student's  
ltr. with dr mikhayl kedrov, dr dmitriy (urnov) and vitaliy  
gan discussing topic "do russian ppl really hate us americans  
that much?" (urnov) says he found keen interest in americans  
about ussr and among russians about usa. kedrov says russians  
appreciate material achievements of americans. gan says there  
is no hate between ordinary ppl but ordinary americans are  
misinformed about usa. In response to question as to whether ussr  
is trying to get world against usa gan says it is washington that  
is degrading america by its war propoganda and confrontation  
policies. participants then list things they appreciate in america  
as being their benevolence, optimism, determination and curiosity.

105 window on arab world: incl anon on deterioration of situation in lebanon just before so-called redeployment of israeli forces. Israeli provocations escalated and lebanese reactionaries became more active. These actions are intentionally implemented by israel. Reason is that they give good justification for american forces to replace israeli forces on pretext of helping lebanese govt in controlling situation. It has been observed long ago, before any talk about redeployment, that this is joint U.S.-ISRAELI strategy. (3 min: arabic 1530)
