136 remarks by mufti shamsuddin khan ibn zia'eddin babakhan,
 head of office of clergymen of central asia and kazakhstan devoted
 to importance of haj pilgrimage, saying each year many soviet muslims
 travel to various religious shrines recently ldrs of some
 islamic countries, he says, have been trying to use haj pilgrimage
 to propagate anti-sovietism, to calumniate our country and to
 disseminate fabrications on situation of muslims in ussr. this
 is not only a repetition of fabrications by west, but is tantamount
 to violation of sharia' by virtue of which muslims should not lie.
 soviet govt respects ussr's muslims and facilitates them to
 observe their religious duties, in conclusion, mufti babakhan
 says messages are received from muslims and islamic organs from
 other countries on eve of haj. (3 min: persian 1700)
