last week, public opinion in the soviet union, afghanistan and other parts of the world was focused on yuriy andropov's disarmament proposals which were presented in an interview with pravda. The kabul new times favorably appraised these proposals. Afghan trade unions have also come out in support of these proposals and staged demonstrations on 1 september on the occasion of the day of struggle for peace. This day is also the anniversary of the establishment of the nonaligned movement, the principles of which constitute the basis of the dra's foreign policy. Another rally was held last week in kabul in which participants expressed solidarity with the people of pakistan in the struggle for restoration of democracy and human rights. (8 min: dari 1500)
