						computer people in this	
						building. These are	
						both military & civili-	
						an at this bldg.	
			NOTE: This project continously suffered from				
			lack of interest/concern on the part of the				
			supporting analyst. The analyst failed to keep				
			numerous appointments, failed to provide tar-				
			geting info, and, overall, did a very poor job				
			in reviewing the info we provided him.
