WORKING PAPER

TASKER

1. PROJECT: 8909-20 (W-1).
2. ENCRYPTED COORDINATES: In this instance, 8909-20 the Project Number will also serve as the Encrypted Coordinates.
3. BACKGROUND: Every effort has been made to replicate the conditions under which remote viewers are utilized against the same target by SRI. There may or may not be a beacon (Wanda) at the target, according to SRI. SRI will task the viewer(s) on Wednesday of each week at 1330 hours, our time.
4. ESSENTIAL ELEMENTS OF INFORMATION:
 - a. Describe the target site.
 - b. Describe the key activity at the target site.

Submit conceptual sketches in support of your findings.
