SG1A

SG1A

SG1A

Situation: The [redacted]-freighter [redacted] is scheduled to enter [redacted]. This vessel has no history of smuggling narcotics into the United States, however its last port of call is in [redacted], a hotbed of smuggling activity. Its physical characteristics are as follows:

Length [redacted] SG1A  
Flag: [redacted]  
Owner: [redacted] G1A  
Last P [redacted]  
Next P [redacted]

Essential Elements of Information:

SG1A

1. Is the vessel [redacted] presently carrying narcotics?
2. What type of narcotics are onboard the vessel?
3. Where are the narcotics hidden, i.e., enclosed in containers or bulk sacks?
4. Are narcotics carried by crewmembers?
5. Who will receive the shipment of narcotics?

INSURMOUNTABLE CHALLENGE #816:

*Fern,  
This arrived just as I was closing up for the day - so I decided to save time by bringing it to you.*
