SUMMARY OF INFORMATION:

SG1A

The target is a vessel bearing the call sign [REDACTED]. It is ~~white on top and green on the bottom~~. There is something round, bright, and glowing on this vessel. There are people on board and ~~mechanical~~ sounds. The activity on this vessel has something to do with ~~items~~ moving downward ~~on something like a conveyor belt~~. There is much energetics involved with this target. It felt like something was blocking me from getting more information on this vessel.
