SUMMARY OF INFORMATION

Phonetics of the true name of the individual SG1A
associated with the vessel [REDACTED] is "Col-ban", or
"Neg-a-tos". The current location of the vessel associated
with the call sign is in the Caribbean Ocean at
approximately N-12°, W 76°.

The vessel is not privately owned and operated. This
vessel is a military vessel -- like a cutter or offshore
patrol boat. It is not carrying illegal drugs and it is not
destined for North America. I perceive that this vessel is
government owned by a Latin Country. It is a motored vessel
of moderate length (see sketch) powered by diesel.
