Possible Session Aids/ Distractions: <u>N/A</u>	

B. SESSION SUMMARY: (Below, or see summary and worksheets attached)

Site consisted of small structures lined up near a body of water. Near the water was an object that was very tall. The object was slender at the bottom and the top was a square. The square had zigzag lines for the sides and people were standing inside the box figure. The object was yellow in color. There was a clanging noise associated with the site. See picture for details.
