SUMMARY OF INFORMATION

The target personality is a man who is alive and older now. His mind is military oriented and he has had a powerful career as a speaker. He broadcasts turbulence and is involved in a situation wherein he represents people. His position includes communications between people and the reconciliation of fellow members. Survival is an issue because there was a shift or take over in his country. He is concerned about solutions to problems regarding prisoners and negotiations for their release. He came into a country where he was welcome and he is a utilitarian. Syria was the result of the search.
