SUMMARY OF INFORMATION:

1. (S/NF/SK) The target person is a male who has either very short hair or a balding spot on top of his head. He appears neatly dressed, but has some sloppy personal habits.
2. (S/NF/SK) Dowsing was performed on a large, full-color map of Africa. Dowsing first produced several widely spaced impressions, among which I finally chose Rwanda as the target's location (see inclosed map).
